

MOTORISED MIRROR DROP

DT-MMD

DT Motorised Mirror Drop is an in-ceiling projector mount featuring dual high performance optical mirrors, custom projector interface and flexible alignment adjustment. It is intended for applications where it is aesthetically advantageous to hide the projector in the ceiling – only dropping the compact mirror system when the projector is in use.

DISPLAY TECHNOLOGIES

Display Technologies is a British brand specialising in advanced projector screens, mounting brackets and custom installation solutions. Their focus on the combination of technical performance and design for install, ensure that all DT products meet the needs of both the client and installer.
